

Shaindy and the Little Grey Cloud

Companion | Ages 3-6 | With a trusted grownup

Draw something that matters to you. Add a little cloud floating along beside you.

My picture or my words:

Grownup: listen before suggesting.

Your child may point, draw, speak or pass. No right picture and no need to share a private feeling.

Shaindy and the Little Grey Cloud

Ages 3-6 | Grownup-guided activity

Cloud Walk

About 5 minutes. Materials: Paper and crayons.

Try together

Draw a little cloud. Pretend it floats beside you while you do something kind, like waving hello to a friend. The child may name the cloud, leave it unnamed, or pass. Do not push the cloud away or ask for a feeling to leave.

Make room for choice

Point, draw or pass instead of speaking. Adult participation, no forced disclosure or touch.

After trying: Was it useful? What would you change?
