

Activity 1

What does Dovi attach to the cardboard house?

Activity 2

Who handles the tape cutter?

Activity 3

Why is the loose end hard to find?

Activity 4

What does Mommy fold back onto itself?

Activity 5

What is different about the folded tab?

Activity 6

What does Dovi point to later?

Activity 7

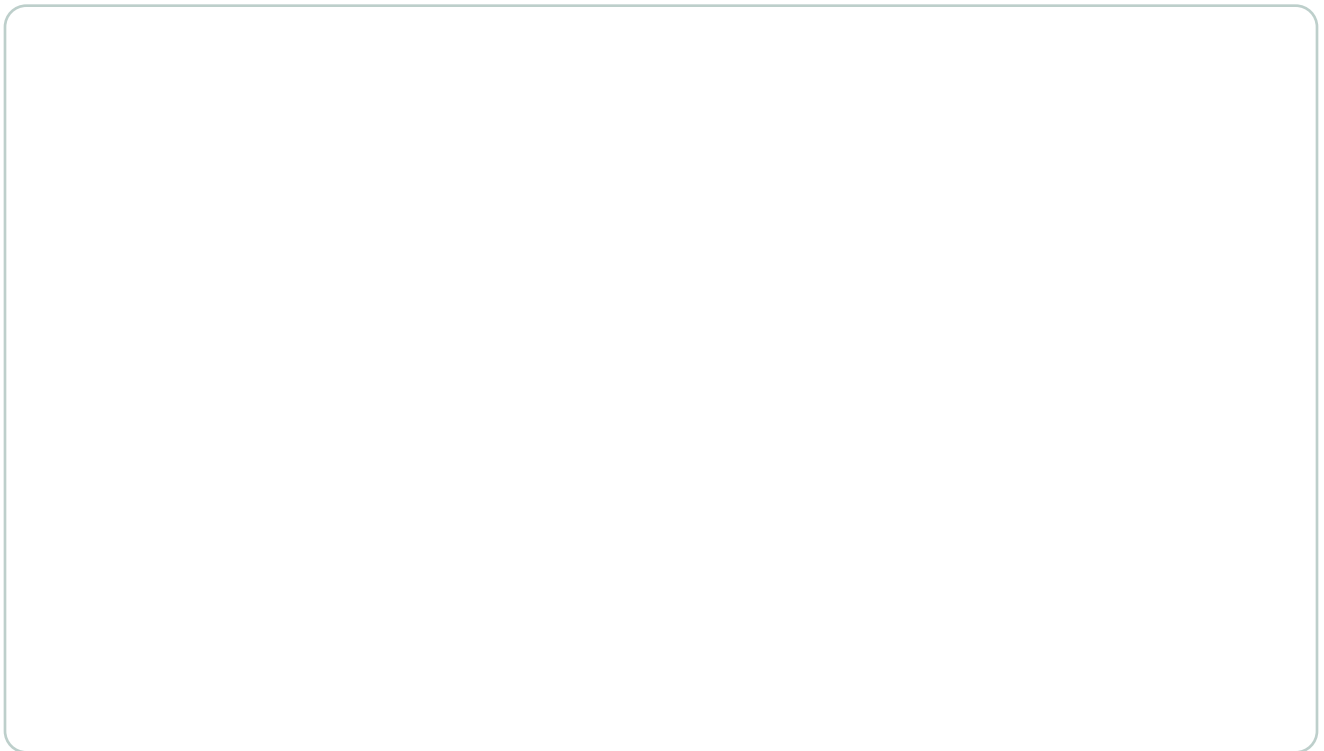

Draw a tape roll with a small folded tab at its end.

Activity 8

A grown-up shows a folded tab on a piece of tape. Watch or touch the tab.

Grown-up notes and answers

1. A paper sign.
2. Mommy.
3. It has stuck down flat.
4. The very end of the tape.
5. It is not sticky on the outside and is easy to lift.
6. The folded tab.
7. Accept a clear visible starting tab; no exact size needed.
8. Adult handles the roll/cutter and keeps scraps away from young children; no pulling tape across skin.
