

Activity 1

Which part of the spoon does Dovi want to hold?

Activity 2

What happens when Dovi reaches over the spoon?

Activity 3

What small change does Dovi make?

Activity 4

Where does Dovi sit to check his spoon?

Activity 5

What does he ask before putting down Mommy's spoon?

Activity 6

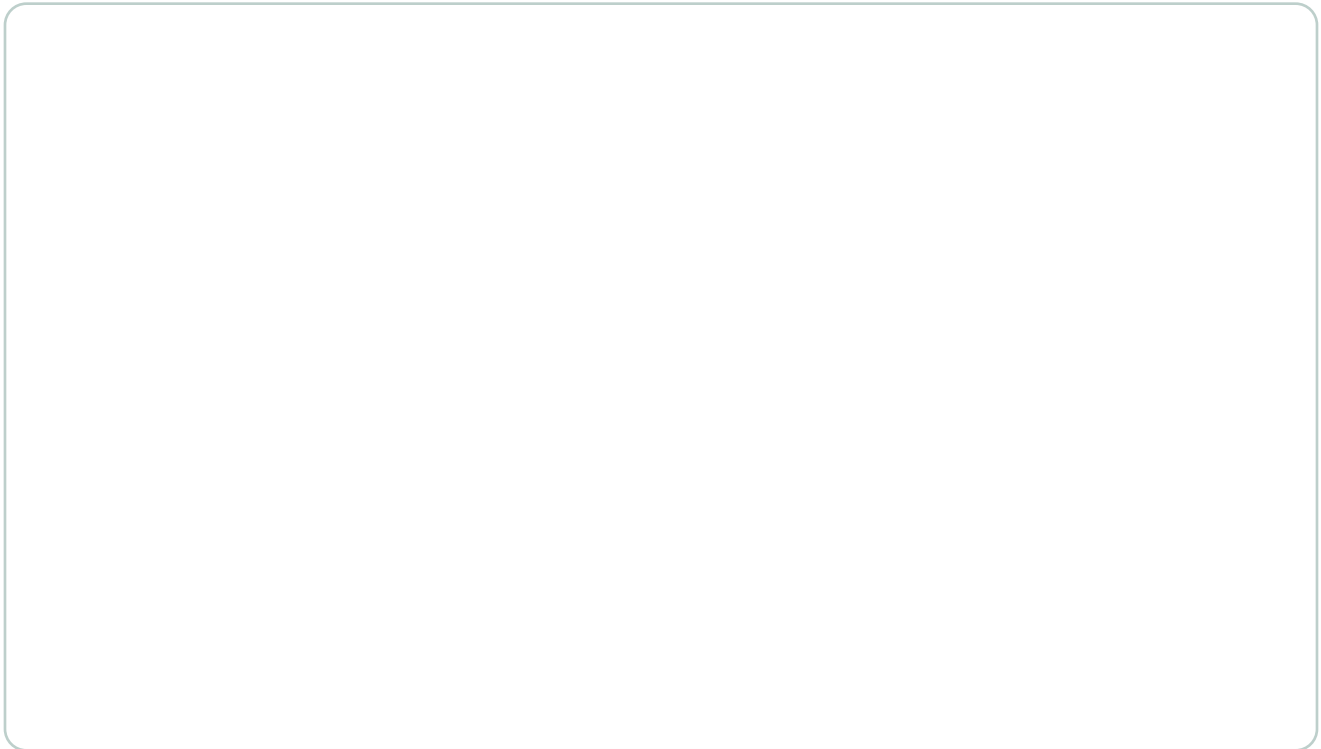

Draw an empty bowl and a spoon with its handle toward the person using it.

Activity 7

With a grown-up, turn a large safe spoon on a clear table.
Show the end you hold. You may watch instead.

Activity 8

A grown-up asks, "Where would you like this empty cup?"
Point to a safe place or say a word.

Grown-up notes and answers

1. The handle.
2. His sleeve brushes the empty bowl.
3. He turns the spoon so its handle is near his hand.
4. In his own chair, at his place.
5. Which way do you want it?
6. Accept any drawing showing an accessible handle, no fixed left/right answer.
7. Handle. Use no food or hot liquid; no sharp utensil or reach across another person.
8. Adult checks stable surface and reachable position. Asking and listening matter, not one correct side.
