

Activity 1

What does Shaindy hear when Miri says the flower looks blue?

Activity 2

What does Miri mean?

Activity 3

Where do the girls look at the card?

Activity 4

Draw the girls looking at the card together.

Activity 5

With a grown-up, look at the same colored paper in two safe places indoors. Does it look exactly the same?

Activity 6

Say a question Shaindy could ask before deciding Miri is criticizing her.

Activity 7

Does either girl need to be called a liar?

Activity 8

Where does Shaindy choose to finish the card? What does Miri bring?

Grown-up notes and answers

1. She thinks Miri is saying she used the wrong color.
2. She describes the color she can see.
3. Under the lamp and by the window.
4. Accept two girls sharing the same viewing place.
5. Observations may vary; no difference is required. Do not look directly at a lamp or the sun.
6. Examples: What do you mean? Can you show me where it looks blue?
7. No. Their descriptions come from what they see in different light.
8. By the window. Miri brings the pencil box.
