

Activity 1

What part of the puzzle is still empty?

Activity 2

What shape is at one end of the piece?

Activity 3

What does Shaindy do after pressing once?

Activity 4

Where does she set the piece to look at it?

Activity 5

What is different about the two roof-shaped ends at first?

Activity 6

What changes when she turns the piece?

Activity 7

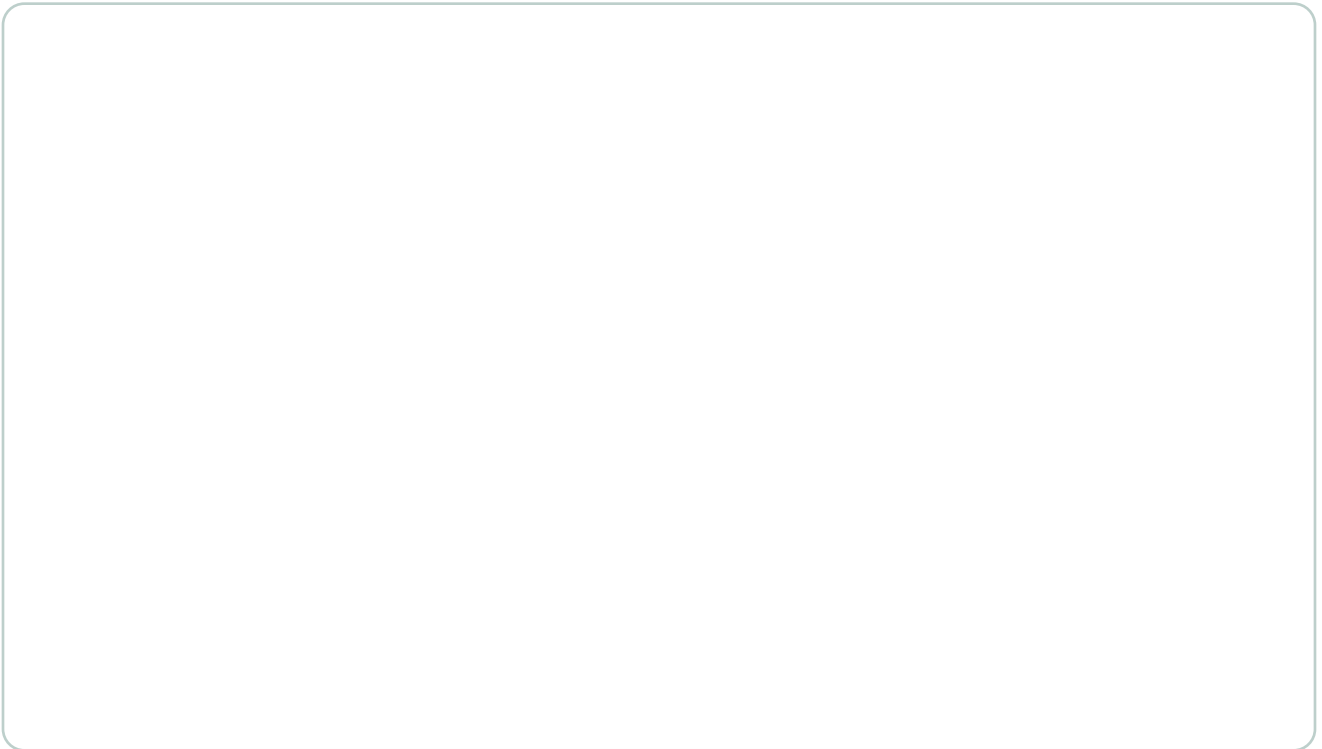

Draw a long shape with a roof-shaped end. Draw the same shape turned sideways.

Activity 8

With a grown-up, turn a large safe puzzle piece beside its space before trying it. Watch instead if you prefer.

Grown-up notes and answers

1. One place.
2. A roof shape.
3. Stops.
4. On the table beside the opening.
5. They point in different directions.
6. Its roof-shaped end points the same way as the matching opening.
7. Accept both orientations; no illustration supplied or required.
8. Adult chooses age-appropriate pieces too large to swallow; no force needed.
